

HAVE A
GO DAY

EVERY FANCIED CLAY SHOOTING?

Why not have a go.

The Monmouthshire Masonic Clay Shooting Association are holding two 'Have a go' days at Keepers Lodge just outside Chepstow. These will be open to any Mason of the province, their partners and friends so why not make a day of it. The two events will be held on the mornings of Saturday the 24th of March and Saturday the 16th of June and will start at 9:30am. The price will be £20.00 per person and will include gun hire, cartridges, clays, tuition and insurance. Each day will be made up of two rounds of shooting to ensure everyone gets the maximum enjoyment from the day. Numbers are required 3 weeks before each event and further details will be circulated nearer the date. If there is sufficient interest I'll arrange a pub lunch afterwards.

Please contact Paul Burley on 07816 193456 (paulburley@me.com) to register your interest and secure you place on what promises to be a fun day and a great introduction to the sport.
